Resinol cured awful pimples

Whole face covered, now clear BROOKLYN, N. Y.—"I was troubled with two or three pimples coming out on my chin. In a week or so my whole face was covered with them. Friends advised me to use different lotions and salves. I tried them, but they did me little good, if any. I finally washed the pimples with Resinol Soap and applied Resinol Ointment before going to bed. In the morning I found the swelling going down, and the inflammation gone from the pimples. I tried this treatment for about a week, and found that most of the pimples had disappeared. I kept the treatment up for about a month, and then my face was clear of all pimples. I have used Resinol Soap since, and find that the pimples do not come back." (Signed) Walter A. Stenstein, 54 Willoughby Ave., Oct. 9, 1912. ROOKLYN, N. Y .- "I was trou-Oct. 9, 1912.
